STEP INTO A WORLD WHERE EFFORT MEETS EXCELLENCE
About UWS

An All Girls’ Residential School, that offers quality education with finest accommodation and living facilities to students from Grades 4 to 12. We wish to create opportunities for girls to achieve high standards not just academically but also in her life as a whole. While preserving the best in traditional Indian and International education and culture, we have opted for a student-centric, value based learning and education system with ample opportunities for individual growth and development.

Our world class facilities with state-of-the-art campus, international curriculum, finest accommodation, committed, qualified and experienced teaching and non teaching staff, seek to place Unison World School as India’s most admired, respected and renowned School.

Our aim is to ensure that every girl at Unison World School is groomed to 'Realise Her Potential' and be the best in every facet of life.

The aim of our brochure is to give you all the relevant information about our school. This brochure is designed to enlighten you on our vision and aim, thereby, ultimately revealing to you role as educators in creating global citizens.
CLETAR VISION

Unison World School is committed to creating a safe and supportive environment that involves each student in a wide range of learning experiences. These are designed to provide a balance of academic, athletic, artistic and social opportunities, thereby encouraging students to lift their aspirations to the highest level of their capabilities and interests.

Unison World School fosters self-esteem and respect for others creating a stimulating and caring atmosphere alongside an appreciation of the world in which we live and our cultural heritage.

It is this comprehensive education that will serve to empower the girls to take their place in the world of the future as compassionate, culturally enriched life-long learners and responsible adults.
Ms. Veena Singh - B.Ed and M.A. in History and Political Science - has nearly 35 years of experience in reputed schools. Of this, 22 years rich experience has been in leading all girls’ residential schools.

Educational assignments and cultural conferences have taken her across the globe and she has been felicitated by some leading schools in the U.K. With an abiding interest in social service, she has participated in women’s literacy and outreach programmes. She has also participated in A.I.R. and Doordarshan Kendra programmes on social concerns.

As the Founder Principal of Unison World School, she brings to the School her vast experience in academics and administration. Under her able guidance, in this short span of time, Unison World School has been ranked amongst the five Best Girls’ Residential School of the country.

She is a recipient of the British Council’s prestigious “International School Award.” Under her leadership, the School has been appointed as “Lead School” in Uttarakhand, for Tony Blair’s ‘Face to Faith Foundation’ and awarded the “Outstanding School Award”. She has also been designated as “Teacher Training Facilitator” to train principals & teachers of other schools as well.
Transforming Tomorrow

Dear Parents,

Unison World School is an amalgamation of competent teachers, state-of-the-art infrastructure, an idyllic setting and an experienced and efficient administration. The school came into existence with the vision of creating a safe and supportive environment for its students - to provide a perfect balance of academics, sports, artistic and social opportunities. Childhood, youth and learning should be a joy and we strive for that.

The school offers its students an option to pursue either CISCE or CIE curriculum. UWS aims at holistic growth and development of its students. The School’s genuine concern ensures student’s emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self-awareness and self-confidence. Sharing ideas, analyzing situations and expressing them confidently are essential skills which are honed here, through Experiential Learning.

Modern and secure infrastructure, pollution free environment, excellent pastoral care, nutritious and sumptuous vegetarian food are some of our strengths. While studying at UWS, your daughter will be groomed to become a confident, articulate and enlightened young lady, ready to step into global society with dignity, honour and integrity.

We believe in giving our students strong values along with a set of wings which may carry them far and wide. In other words, our students are equipped to face the challenges of the rapidly changing world.

Though information on various facets of life at UWS can be found on our website, I encourage you to come and visit our campus and experience the warmth and enthusiasm towards life that is infused in our School’s ambience. For, “Seeing is Believing.”

Ms. Veena Singh
Principal
Unison World School

Children are living beings more living than people who have built shells of habit around themselves. Therefore, it is absolutely necessary for their mental health and development that they should not have 'mere school' for their lessons, but a world whose guiding spirit is personal.

Rabindranath Tagore
Serene Surroundings

Dehradun, the education capital of India, is surrounded with the majestic Himalayas in the north and the Shiwalik Hills to the south. Blessed with a moderate climate for most of the year, the ‘Doon Valley’ makes for a perfect centre of learning.

Home to a very cosmopolitan society and having an estimated literacy of 11.2% over the national literacy rate (as per the census of 2011), Dehradun is undoubtedly a prime center for International education.

Situated on the picturesque Dehradun-Mussoorie Road, in the beautiful locale of Kirsali Greens, Unison World School is an All Girls’ Residential School.

The school provides a truly broad based comprehensive education.

The school strives for excellence by providing students the best of facilities and instruction.
Educating at An All Girls’ Residential School

There are many reasons why parents choose to send their children to a single-sex school. Here at Unison World School we specialize in educating girls. We strongly believe there should be no limitations to your daughter’s ambitions.

Girls flourish best in a single sex environment and there are many academic studies to support this. Girls and boys mature at different rates. Your daughter can benefit from being at a girl’s school that recognizes these vital differences and provides an education geared specifically to meet her unique needs and developmental stages.

The strength of an ‘all girls’ residential school’ is that there are no restrictions. They flourish in an environment where they are not judged by gender. Here girls are able to realize that all future pathways are open to them. They have the space in which their intellectual and physical confidence can blossom unhampered.
Choosing Unison World School - Some Reasons

- UWS possesses state-of-the-art infrastructure.
- UWS offers the widest range of opportunity as an all-girls’ international institution.
- UWS enables each girl to realize her potential, thereby, letting her develop her personal strengths.
- UWS inspires each girl to achieve excellent academic results.
- UWS showers personal care and attention with exemplary pastoral care.
- UWS cherishes each girl’s uniqueness and nurtures individuality through counselling.

- UWS provides wholesome vegetarian multi-cuisine nutrition.
- UWS instills confidence with challenging activities.
- UWS grooms future leaders with democratically elected student prefects.
- UWS integrates academic and extra-curricular activities for holistic development.
- UWS polishes inherent talent with exceptional visual and performing arts facilities.
- UWS collaborates with the local community - for community service projects.
- UWS establishes world-wide links through successful and consistent exchange partnerships.
• UWS fosters camaraderie and teamwork with multi-dimensional sporting opportunities.
• UWS forges strong close mentor - pupil relationships.
• UWS enhances pupil’s overall progress with a sound foundation.
• UWS moulds perfect personas- into perfectly blended multi-faceted young ladies.
• UWS encourages parental involvement with numerous PTMs and constant communication.
• UWS appoints highly qualified and experienced teaching staff from around the world.
• UWS has a very clear discipline policy and procedure which does not tolerate any form of bullying.
• UWS expects excellent behavior and instills the feeling of respect for everyone.
Establishing Excellence

Par Excellence Campus | ERP Technology Managed | Multi Activity Facilities

**Par Excellence Campus**

Unison World School’s campus is a marvel of modern architecture. All the buildings are connected by a central spine. Effective STP system for waste & water disposal makes the campus eco-friendly.

A hydro-pneumatically operated RO water system with filtration and softening facilities and noiseless power generating electrical substation ensure uninterrupted potable water and power supply.

Wi-Fi system installed across the campus facilitates the use of laptops and other equipment. A dedicated Internet leased line with optical fibre network is maintained by reputed service providers for communication.
Multi Activity Facilities

Multi-purpose Auditorium: Built for a seating capacity of 1500, this structure has a column-less reinforced concrete roofing to accommodate three rooftop tennis courts.

Amphitheatre: It is used by students for informal stage performances.

Seminar Hall: A fully air-conditioned facility; it is equipped with a Computer, a Projector and a rolling white screen and natural as well as artificial lighting.

This is used for principal-parent meetings, guest lectures by various experts, seminars, prestigious inter-school events, knowledge sharing sessions etc.

Audio -Visual Room: Situated in the academic block, the audio-visual room is air-conditioned. It is equipped with a PC, Projector, wired/wireless mike and a stereo system. It is a perfect venue for presentations and Guest Lectures as well as House Competitions like debates, quizzes, declamations, extempore speaking and elocution, thus aiding in enhancing knowledge, confidence and motivating the students to become excellent orators.

Video Conferencing Room: An air conditioned state-of-the-art room which is also used for board meetings is used by the students to hold video conferences with students of other schools worldwide.

Audio-visual Theatre: It facilitates by providing a venue for Sunday Movies, Documentaries, Art of Living workshops and other recreational activities.
Sharpening Minds
Curriculum | Medium of Instruction | Assessment System | Special Attention Classes

Curriculum
The school admits students from Grade 4 to 12. The school follows Indian as well as International Curriculum.

Medium of Instruction
The teaching methodology incorporates a student-centered system of learning. While English is the medium of instruction, students opt for a third language including a foreign language.

Assessment System
Promotion to the next higher class at the end of the academic year is on the basis of continuous assessment and in accordance with the rules decided upon by the School Examination Committee.

In Grades 9 and 10, students prepare for the Indian Certificate of Secondary Education (ICSE) Board/Cambridge (IGCSE) Examination, which is held at the end of Grade 10.

In Grades 11 and 12, students prepare for the Indian School Certificate (ISC)/Cambridge Advanced Levels (A Levels) Examinations which are held at the end of Grade 12.
Special Attention Classes

There are differences in the academic standards of the many regions that our students hail from. In order to ease the transition into our mainstream classes, girls who have not been given the required academic background are placed in special attention groups and oriented to cope up with their classmates.

Special tutorials are conducted for students who are lagging behind their peers. The qualified resident school counsellor assists each student with her academic, emotional well-being or vocational difficulties.
Facilitating Learning
State-of-the-art Classrooms | Laboratories | Anytime Anywhere e-learning

**Smart Classrooms**
The classrooms are spacious and well-ventilated with ample light. Ergonomically designed furniture, a combination of green glass and white boards display boards, teaching aid displays and LCD projection equipment, facilitate the learning process. All classroom are equipped with Interactive Smart Boards.

**Laboratories**
- 3-D Laboratory has been set up by Educomp to get live experience in the science and social science lessons.
- Computer laboratories Apart from junior and the senior lab, the school also facilitates e-learning through an extensive Mac Lab. These laboratories are well equipped with Internet and multimedia provisions
- Language Laboratory caters to Foreign and Indian Languages. This has audio-visual equipment for pronunciation, listening skills, presentation skills and interactive language learning activity.
- 3 Ultra-Modern Science Laboratories with all amenities are there for Physics, Chemistry and Biology.
- Social Sciences Laboratory is equipped with many models for inculcating interest of students.
Library cum Resource Centre

The library is provided with an extensive range of reference books, newspapers, magazines, periodicals, educational CDs, computer workstations, printer and photocopier.

There is a computer aided referencing system, which enables students to rapidly locate books of their choice.

As part of the focus on e-learning, students are encouraged to use the Internet and to access online International libraries for information.
Accepting Challenges

House System | Prefects’ Body | Creative Writing and Public Speaking

**House System**
The House System has a special relevance at UWS.
The school is divided into four houses - Daffodil, Jasmine, Orchid and Tulip. It is a structured community within which girls develop the feelings of loyalty, responsibility of living in a family and practice leadership.
The houses compete regularly in a wide variety of fields like debates, quiz, dramatics, dance, music, sports etc.
In fact, these activities test girls and encourage them to exploit their hidden talents.

**Prefectorial Body**
“Leaders aren’t born they are made. And they are made through hard work”.
The students are the leaders of tomorrow. They must learn and teach to co-exist and become co-leaders in their movement and pledge for peace, progress and prosperity of their society. A team is as successful as the leader and the leader should be able to command respect from his team.
The student leaders of Unison World School are selected and groomed to assume many responsibilities and play important leadership roles. They receive and accept these positions as ‘Prefects’ - to make a difference in their own lives and the life of their fellow students.

At Unison World School, the prefects learn to lead by example. They work with everyone else and appreciate the gift of team effort.

They don the mantle of responsibilities and pledge to dispense their duties to the best of their abilities. They are trained to strive for excellence through perseverance, boundless energy and relentless commitment in the face of all challenges.

**Creative Writing and Public Speaking**

Unison provides opportunities galore for creative writing, debates, elocutions and declamations, which improves oratorical skills. Confidence and eloquence in public speaking is tenderly nurtured. More importantly, girls are encouraged to exhibit these skills. They are escorted to witness various cultural programmes and sent to represent the school in co-curricular fixtures hosted by other schools.
Instilling Confidence
A Healthy Body has a Healthy Mind

Sports
The development of mind and body go hand-in-hand.
In short, physical education plays a vital role in creating confident individuals. Therefore, sports are an integral part of our education system. Girls are encouraged to participate in various inter-house and inter-school tournaments.
Girls begin their day with morning exercise that includes yoga, P.T. and jogging. This channelizes their energy in the right direction.
In the evening, they participate in their favourite sporting activity, which includes, judo (for self-defense) or organized games e.g. lawn tennis, table tennis, badminton, basketball, volleyball, squash, hockey, football and swimming.

To improve respective sports, we have engaged expert coaches and trainers from India and abroad who impart invaluable tips to girls to hone their skills.
A football ground, a hockey field, a 200-meter athletic track, three roof-top tennis courts, three indoor & outdoor basketball courts, a modern squash court, a gymnasium, a room for yoga, a shooting range along with an indoor, temperature controlled all-weather swimming pool, reflect our seriousness towards sports. There is provision for roller skating and horse riding too. The state-of-the-art shooting range has provision for standard air-pistol shooting 10m and standard air-rifle shooting 10m.
The facilities available are some of the best in the country.
The students of UWS have already made a mark and won many accolades at the state and national level in various sporting events.
Inspiring Creativity

Art & Craft

A wide spectrum of visual arts is taught at UWS in its numerous well-equipped Art Studios. e.g. Drawing and Painting, Sculpture, Ceramics, Pottery, Craft, Needle work, Jewellery designing, Computer Graphics, Photography, & Textile Designing.

Fine Arts: Diverse forms of painting in different mediums are taught and excelled in UWS. Pencil sketching and charcoal shading, crayon colouring and water colour painting are taught extensively here.

At UWS the budding artists also use canvas as a surface to creatively express themselves in oil and acrylic paints for a variety of subjects like landscapes, nature study, still life, portraits and modern impressionistic art etc.

Folk Art and Glass Painting: At UWS some of the folk and tribal painting traditions of India are taught e.g. Madhubani, Gonda, Warli, Sara and different kinds of Rangoli.

Glass painting is one of the most refined Indian art styles that is taught here. These glass paintings are noted for their show of brilliance clarity and the use of rich colours.

Paper Craft: Diverse forms of paper craft like – Collage - making, Papier-Mache, Origami, Thermocol craft are taught at UWS.

Pottery & Sculpture: At UWS three dimensional art work is undertaken with a variety of substances, e.g. ceramics, clay pottery, stonework, glass casting and fusion, wood and even soft metals – Docra.
Needlework, Applique work and Jewellery Designing: These are some very popular crafts with junior girls at UWS. Their nimble fingers also create cuddly soft toys. Enamel work is also taught to the girls.

Textile Painting: Batik, Block Printing, Fabric Painting and Tie & Dye are some forms of textile painting taught to the students at UWS. The interest generated in this field has motivated many of them to take up fashion and textile designing as a career after school.

Computer Graphics: The development of computer graphics has a profound impact and has revolutionized animation in the student's power point presentations.

Photography: Photography is a hobby in which many students are motivated to explore and experiment.
Celebrating Harmony
Music, Dance and Theatre I Clubs and Societies I Celebration of Festivals

**Music, Dance and Theatre:** Both Western and Indian Music styles are taught in equal measure to students at Unison World School to develop their skills and musical appreciation.

Indian music combines with the eternal culture of prayer and meditation. Western music is vibrant and varied in form and style. The school choir specializes in both Hindi and Western music under the direct tutelage of several members of the Music Department. Every effort is made to ensure each child takes part in at least one activity at the annual cultural event to develop her confidence on stage.

**Western Music:** Western vocal and instrumental music is immensely popular here. Instruments like keyboards, guitar and a wide range of drums (e.g. Acoustic / Virtual / Congo and Octa-Pad) are taught here.

**Indian Music:** Indian classical vocal music is taught along with instruments like—Harmonium, Tabla, Sitar, Santoor & Flute.

**Indian Dance:** The Indian dance reflects the rich culture of India. It helps students to develop their posture, concentration and confidence. Ample opportunity to learn Indian Classical and Folk Dance is provided. Some of the classical dance forms taught are Kathak and Bharatnatyam.

Different folk dance traditions that are passed down generations across different cultures to celebrate important occasions are enthusiastically learnt and taught.
**Western Dance:** Western dance is vibrant and helps girls increase their stamina as a viable form of exercise. Salsa, Contemporary Hip-Hop and Western Ballet are a few of the dance forms that girls at UWS get to learn.

**Clubs and Societies**
The school has various clubs and societies like Nature Club, Dramatics Club, Adventure Club, IT Club, General Knowledge Club, Mathematics Club, Heritage Club, Computer Graphic Club, Literary Club, Publication Society, Cultural society, and Fine Arts Society. These clubs and societies help girls acquire expertise in varied academic subjects as well as develop interest in other areas like multimedia, web designing, film making, photography, videography, stage performances etc.

**Celebration of Festivals**
Our students are groomed to be modern in outlook, yet be proud and appreciative of their rich heritage and imbibe a strong value system based on mutual respect for other cultures and traditions. Thus we celebrate all festivals with equal reverence and fervor.
Adding Finesse

Finishing Classes | Social Service Programmes | Soft Skills Training | Counselling

**Finishing Classes**
At Unison World School, we expect a high level of politeness, decorum and personal presentation at all times and that’s why we have engaged experts to train our girls in the Art of Etiquette. The emphasis is on areas such as Total Personality Development, Social Etiquette, Confidence Building, Body Language, Art of Dressing, Accent Training, understanding Family Values, Discipline at Home and at School, Peer Pressures and How to say “No”. These classes are conducted by professionals on a regular basis.

**Social Service Programmes**
At UWS, social service plays a significant role. We encourage girls to take up Socially Useful Productive Work (SUPW). The students actively work for the IAYP (International Award for Young People), formerly known as the Duke of Edinburgh Award.

This requires them to make frequent visits to various institutions like Cheshire Home, NIVH, St. Mother Teresa’s Orphanage, Sharp Memorial Blind School and Karuna Vihar, for voluntary service. Social Service camps are organized where they work on community projects. Other issues addressed are - environment protection, afforestation and other conservation projects. This helps develop responsibility and empathy towards the society we all live in.
Personal Counselling

Recognizing the fact that we have very sensitive and unique creations of God under our care, we have a highly qualified and competent resident psychologist. She takes care of the special needs of our girls at all times. She helps them learn to tackle and overcome any stress that they may feel be it due to home sickness, learning proper time management, resolving interpersonal relationship issues or nervousness because of examinations.

Overall personality grooming and etiquette sessions are conducted frequently in order to model confident, accomplished and polished young ladies who are perfect in every sphere—“Sarva Gunn Sampann”.

Career Counselling

The school has tied up with an internationally renowned Career Counselling System to assess and counsel girls as well as their parents for appropriate career options. The students here are given ample exposure to learn of avenues for further studies and opportunities to interact with representatives of prestigious national and international universities from across the globe.
Nurturing Home
Boarding House | Dining | Infirmary | 24-hr Security

**Boarding House**
We have planned the living facilities for our girls with a family-like atmosphere. Each floor has comfortable dormitories with adjacent washrooms. The dormitories accommodate 7/8 junior girls or 4 senior girls. Each floor has a common room (with television, newspapers, music systems, computers and indoor games) and a study room for self study.
Highly trained house-mothers, matrons, sahayikas and staff stay on the premises and cater to every need of the girls. The friendly hostel staff is available round-the-clock to attend to all the immediate requirements as well as to supervise the domestic arrangements like laundry, bathing, hairdressing. They are a great physical and emotional support to girls. They are by their side to ensure that meals are taken on time, every girl goes to bed on time and children who are unwell are taken care of by the resident medical staff. The girls enjoy incoming/outgoing telephone facility. The resident school counselor interacts with each student and provides guidance whenever required.

**Infirmary**
At Unison World School, prime importance is given to health. The School’s Infirmary is manned by qualified medical and nursing staff. The Resident Medical Officer conducts regular medical check-ups and individual medical cards are maintained. A pediatrician takes care of the health, hygiene and sanitation aspects of the campus.
Periodic eye, ENT, dental and skin check-ups are organized. Complete check-ups are also carried out four times a year to ensure that students are always in the best of health. In case of emergencies, a well-equipped ambulance is available for immediate evacuation to an exclusive multi-speciality hospital in the city, with which we have a tie-up.

24 Hour Security
Unison World School is a safe and secure place for girls. The school is surrounded by a high security boundary wall reinforced at the top with electrified fencing. CCTV cameras are positioned at all entrances and exits to monitor all activities, primarily to complement the non-invasive security system in the campus without interfering with the privacy of students. In addition, well-trained male and female security guards patrol the area 24x7. Short-range communication system with security guards, adequate security lighting around the campus and a fool-proof power backup ensures impregnable security round the clock.
No one can enter the premises without proper authorization, which is further verified. Prior to entering/exiting the facility, all persons are thoroughly checked. A firefighting system with highly sensitive alarms further strengthens the security.
Guiding Competently
Committed and Competent Faculty | Residential Staff

A Committed Academic Body
The school has an extremely qualified and committed faculty. In fact, the already recruited staff has had exposure to international educational systems in India and abroad. They are trained in the activity-based learning and teaching method. In addition, lesson planning, classroom performance and contribution to co-curricular activities are under constant supervision of the Vice Principal and Principal herself who believe that the quality of teaching and learning must be of the highest order-day-by-day, hour-by-hour, and lesson-by-lesson. The school is also committed to staff development through a wide range of on-going in-service programmes and workshops, which cover not only academics and pedagogy but also areas such as career counseling. The staff and student ratio is 1:10. Hence, each child receives individual attention and feels comfortable to approach teachers for help in and out of classrooms.

Residential Staff
Residential academic faculty and essential administrative staff is accommodated on the campus in residential quarters. The hostel staff is accommodated in specially allocated semi-furnished quarters, so that they are available when children need them.

The school management
The school management is very particular about the people who interact with and take care of our children. That’s why they ensure that everyone who works here is thoroughly verified and we have a complete record of their past and present. What’s more, we also ensure that access to certain key facilities is limited only to female staff.
**Partnership with Parents**

We understand that the parent’s active participation in the activities of the school is essential if we are to flourish as a school community. We would like the parent’s experience to be a positive one.

Parents are kept informed of all school events through a newsletter and regular updating of the School’s website. They follow their child’s progress through regular and detailed school reports.

The school also welcomes parents to visit the school to discuss matters of concern with Chalet Incharge/Class Teacher. This way we ensure that everyone contributes to the outstanding development of students.
Building Bridges
British Council I Tony Blair’s – ‘Face to Faith Foundation’ I Video Conferencing

In collaboration with the world renowned international organisation - British Council, which operates in 110 nations for improving cultural relations, Unison World School has been actively working on various school programmes like Global School Partnerships, Connecting Classrooms, UK- India Education Research Initiative, International Inspiration and International School Awards. Through this project the students have realized that languages and customs may vary but the underlying emotion is the same - we belong to one large family - like islands in the sea, appearing separate on the surface but connected deeply.

As we progress on this trail - our students attain a sense of global responsibility and sensitivity towards the protection of OUR environment. A variety of activities are instilling in them, ethical and social values along with aesthetics to appreciate and admire the diverse cultures of the world.

This school’s exemplary initiative has won them the Prestigious International School Award twice from 2010 to 2013 and 2014 to 2017.

The school is also an active participant in ‘Face to Faith Foundation’, an initiative of U.K.’s ex-P.M. Tony Blair, that engages secondary school students of different faiths across the world in learning directly about each other.

Students interact with their counterparts on a wide range of social, economic and environmental issues. By means of video conferencing and an online community, students of different
faiths work together to investigate specific global issues; discuss a range of values and beliefs; and explore the reasons for variations.
Till date Unison World School has participated in more than 65 video conferences with schools across the globe like Jordan, Dubai, Abu Dhabi, Australia, UK, Bangladesh, Pakistan, New Hampshire and Chicago.
Recognizing the school’s untiring effort in building awareness about different perspectives, Unison World School has been appointed as the ‘Lead School’ and awarded an Outstanding Award in January 2013.
Learning Beyond Classrooms
Educational Excursions - Treks and Tours

Educational tours of historical or geographical nature are regularly conducted at the national and international level. These trips impart knowledge of languages, an appreciation of other cultures, customs & traditions, flora & fauna.

International Tours
Every year girls visit the United States of America to be a part of the School Space Program wherein they visit NASA, Houston or John F. Kennedy Space Centre, Orlando, Niagara Falls and the world famous landmark sights of New York, in order to develop a deeper understanding of science and global culture.

During these visits they also visit many theme parks e.g. Disney Land, Island of Adventure, Sea World, Universal studios etc.

Domestic Tours
The students are frequently taken for educational tours to various destinations of historical, spiritual or cultural significance like Delhi, Agra, Jaipur, Ajmer, Amritsar, Chandigarh, Patiala, Mysore, Bangalore, Ooty etc. These tours are undertaken to acquaint them with and appreciate the rich cultural heritage of India.
**Adventure Treks**

The school takes advantage of its splendid location in the foothills of the Garhwal Himalayas to arrange adventure camps and treks. The activities include exploring, trekking, camping, rafting and rock climbing etc. We believe this builds confidence, teamwork and trust. It’s indeed, a great way of preparing girls for the future.

School transport is available for educational and weekend outings. Each transport is equipped with first-aid kit and all possible safety measures are taken.
Enriching International Exposure

International Student Exchange Programmes

Globalization is a very real phenomenon that is transforming the world. This era of globalization has tremendous implications for knowledge, education and learning.

International Exchange Programmes give us an opportunity to be an integral part of the world as global citizens. An experience of the different cultures and people of the world is a great way to learn and open minds. At Unison World School, we understand this very well. This is why we lay great emphasis on national and international student exchange programmes and study tours.

These experiences are highly beneficial for our students many of whom, aspire to pursue higher education overseas after having completed their school education.
At present, our partners for student exchange programmes are:-

- St. Francis’ College, Letchworth, UK
- Kilgraston School, Perthshire, Scotland
- Rangi Ruru Girls School, Christ Church, New Zealand

Every year a group of students along with staff from Unison World School visit these schools. The exchange for that year is completed by their reciprocal visits.

A well planned programme is framed for the delegation by the host schools to make the exchange extremely beneficial and fruitful.

This gives the student an opportunity to understand diverse cultures and learn about the world in a way that textbooks and school assignments never reveal.
Getting Admissions

Admission
The school is from Grades 4 to 12. UWS shall seek girl candidates from diverse social and cultural backgrounds who demonstrate a desire to continuously learn and grow. The school’s academic session commences in APRIL each year. The year is divided into 2 terms as follows:

CISCE:
1st Term - April 01 to September 30.
2nd Term - October 01 to March 31.

IGCSE:
Grade -IX:
1st Term - April 01 to September 30.
2nd Term - October 01 to March 31.

Grade -X:
1st Term - April 01 to September 30.
2nd Term - October 01 to June 30.

(A Level)
Grade -XI:
1st Term - July 01 to December 31.
2nd Term - January 01 to June 30.

Grade -XII:
1st Term - July 01 to December 31.
2nd Term - January 01 to June 30.

Procedure for Registration
Application Form for registration is attached with the Prospectus. The form can also be downloaded from our website: www.uws.edu.in. The application along with registration fee is to be sent as indicated in the form. The registration can be done online also. The registration fee is non-refundable. However, this process of registration does not guarantee admission.

Entrance Examination and Documentation
On completion of the registration process, parents will be informed about the date of the Entrance Test. Assessment for Admission is through written test. This will be followed by an informal interaction of the Principal with the student and the parents. Based on the results and availability of seats in the class, parents will be notified.

Once the admission is confirmed, school fees and documents as mentioned in the Schedule of Fees are to be submitted.

At the time of going to press, November 2016, the information given in the Prospectus is accurate, to the maximum extent possible. The School however, cannot guarantee that all that is mentioned will be available in exactly the form and details described. It may prove necessary to vary the content before or after students have been admitted. Other information may also be subject to change. This is not a legal document. Hence, any information or claims herein are not subject to legal jurisdiction. Disputes are subject to Dehradun Courts only.
Creating Careers

Unison Education Foundation (Established in 1996)

The Unison Group has been in the field of education for more than 20 years. With many premier institutions in North India, it aims at creating knowledge centres in the fields of Management, International Business, Information Technology, Mass Communication, Engineering & Technology, Architecture, Pharmacy, Law, jewellery & Fashion Design and now in School Education also with Unison World School.

At present, there are more than 10,000 students studying in its various institutions. Providing guidance and support to these students are more than 1000 academic faculty members and other staff. More than 20,000 students have already passed out of its portals and are well placed in their chosen fields.

Most institutes of the Unison Group are certified for quality and procedures by international quality certification agencies.
